"G" Final

Revisions to the Fuel Cost Adjustment factor have been reviewed by staff members of the Commission and found to be in compliance with the orders of the Commission. The requirements prescribed for these filings in Commission Order No. 35687 have been met and I recommend approval.

<i>Item No.</i>	<i>Utility Name</i>	<i>Change</i>	<i>Filing Number</i>
1.	Jackson County REMC	Decrease*	21-08-05
2.	Straughn	Increase	111-08-05

* The reason for Jackson County REMC's decrease is that the REMC recently received an unexpected cash payment of \$236,566 from Hoosier Energy and would like to credit the amount back to its members through rates. This is a one time month credit.
